

beMOBILE “BRING YOUR FRIEND” DRAW REACHES FRANCISTOWN.

This past weekend, Francistown came to life when beMOBILE made a stop there for the second of the three grand prize giveaways for the “Bring Your Friend” promotion. One lucky beMOBILE subscriber drove away with a spectacular Golf 6 GTI!

Galo Mall turned green and black as beMOBILE set up there for an afternoon of fun and games to excite a crowd eagerly awaiting the announcement of the winner of the second draw. DJ’s Greg and Rasp kept on-lookers’ entertained with their music on the turntables, whilst Master of Ceremonies K’Lo directed the crowd’s attention.

To stand a chance to win in the “Bring Your Friend” promotion and be the proud owner of a brand new Golf 6 GTI, beMOBILE subscribers SMSed a friend’s name together with their registered beMOBILE

number to 17313. There is still one more Golf 6 GTI up for grabs, so beMOBILE subscribers need only follow the same procedure to stand a chance to win the final of three Golf 6 GTI’s.

Gakenatsala Dikgadikwane might just have friends now that he is the proud and excited owner of a Golf 6 GTI.

“beMOBILE is very happy to have made someone’s dream come true by handing over this prize to them. This is just the second of three Golf 6 GTI’s beMOBILE

is giving away, so people can look out for one last of the “Bring your Friend” promotion prize giveaway and even bigger and better promotions to come from beMOBILE this year,” said Motshidisi Badimela beMOBILE’s brand and communications manager.

beMOBILE has always managed to excite the masses with its one of a kind competitions which have become synonymous with the brand, and so it will continue to in the upcoming future. The final draw and the last GTI giveaway will be held in Gaborone on 20th of February 2010.
