

The new Head of Programme Management, **Mr. Christopher Mmusi Diswai**, has been in the telecommunications industry for more than 16 years. He joins the BTC Group from Lacell SU of Burundi where he set up and lead a team that designed and deployed GSM mobile and WiMAX networks.

As Chief Technical Officer, he was responsible for the alignment of Lacell's (a newly licensed operator) technology vision with business strategy. Mr. Diswai was accountable for an annual capital and operational budget of USD 25 million.

Mr. Diswai returns to the BTC family, where he started his career with the corporation in 1991 as an assistant engineer. He progressed through the ranks until he left in 1998, as the engineer responsible for power and mechanical services.

The new Head of Programme Management is among others, a member of the UK Institute of Engineering and Technology. He holds a Master of Business Administration and a Diploma in Management from Henley Management College in the UK as well as an Electrical Engineering degree from Bangalore University in India.
